Friday Night Raft – Ups! June 20 / July 18 / August 15 / September 19
WBYC Friday Night “Raft-Ups” are exceptionally popular as “everyone” can participate! Boats begin to show up just off Goddard Park Beach beginning around 6:00 PM, drop anchor and “raft-up” together! The music starts playing and the blenders, grills and music begin and its great fun jumping from boat-to-boat! If you don’t have a boat, ring an officer’s cell and we will dinghy you from the club out to the party!
